TechniSat®

TechniCloth® wipers, lowest NVR in a nonwoven blend, pre-wetted with Isopropyl Alcohol/DIW solutions

Custom products available upon request.

Description

TechniSat® incorporates a pre-wetted fabric blend of nonwoven hydroentangled 55% cellulose and 45% polyester. This fabric combines the highly absorbent properties of a natural fiber with the cleanliness and strength of a synthetic fiber. It offers low particle counts, low extractable levels and solvent compatibility.

TechniSat® wipers are pre-wetted with isopropyl alcohol/deionized water solutions filtered to 0.2 µm. The wipers are packaged in resealable flexpacks, fliptop tubs and canisters.

Features

- Wipers pre-wetted with accurately diluted,measured volumes of high-purity IPA/deionized water solution■
- Convenient, resealable dispensers■
- Packaged in SolventSafe plastic that can be wiped down prior to introduction into the cleanroom
- Variety of configurations to a wide of applications

Benefits

- Eliminates problems associated with purchasing, storing, filtering, diluting and mixing alcohol ■
- Eliminates maintenance of squirt bottles■
- Offers portion and VOC* control with optimally wetted wipers■
- Delivers premeasured amount of high-purity alcohol to the surface■
- Provides strong,soft pre-wetted wiper for rapid wipedowns■
- Offers low particle generation and low levels of solvent extractables

*Volatile organic compound

Applications

- Designed for cleaning the exterior of production and laboratory equipment■
- Ideal for cleaning environmental cleanroom surfaces during and following the production flow■
- Suitable for wiping of production equipment requiring low solvent extractables and low particle generation

Products

Number	Description	Packaging
TX1041	TechniSat® 9" x 11" TechniCloth® wipers pre-wetted with 70% IPA	70 wipers/reclosable bag; 12 bags/case
TX1045	TechniSat® 6" x 8" TechniCloth® wipers pre-wetted with 70% IPA	100 wipers/canister; 12 canisters/case
TX1048	TechniSat® Gowning Room Wipe™ 8" x 5" TechniCloth® wipers pre-wetted with 6% IPA	210 wipers/refill pack; 12 refill packs and 1 fliptop
TX1065	TechniSat® 9" x 11" TechniCloth® wipers pre-wetted with 70% IPA	50 wipers/flexpack; 24 flexpacks/case
TX1067	TechniSat® 7" x 11" TechniCloth® wipers pre-wetted with 70% USP-Grade IPA	200 wipers/reclosable slider bag; 4 slider bags/case
TX8488	TechniSat® 9" x 11" TechniCloth® wipers pre-wetted with 6% IPA	300 wipers/slider bag; 3 bags/case

Also available as dry wipers.
See TechniCloth® for more information.
